My Goals

Reflect upon the following questions:

What are your goals in life?
How are you going to achieve them?
What are your goals for this year?
What will you do to reach those goals?

Try to make a very detailed list of what you intend to do. Save the list throughout the year so you can go back and look at it.

My Goals					
Goals in life	Plans for achieving life goals	Goals for this year	Plans for achieving this year's goals	Goals in English	Plans to help me achieve my goals in English
